This is letter announces the following training opportunity:

QUALIFIED INSPECTOR TRAINING FOR ILLEGAL DRUG LAB CLEANUP

INDIANA GOVERNMENT CENTER SOUTH, CONFERENCE CENTER ROOM 14

402 WEST WASHINGTON STREET, INDIANAPOLIS, INDIANA

MARCH 2, 2010, 8:00 AM TO 4:30 PM EST

- The **Indiana State Police Meth Suppression Section** will present an overview of the methamphetamine problem in Indiana: number and distribution of drug labs, characteristics of drug labs and meth users, illegal manufacturing processes and chemicals, chemical, physical and human hazards found in drug labs, the ISP Methamphetamine Lab Occurrence Report.
- The **Indiana Department of Environmental Management** will present training on Indiana's rules for cleanup of illegal drug labs including property owner responsibilities, requirements and process for listing qualified inspectors, qualified inspector duties, certifying a completed cleanup, recordkeeping, and alternatives to decontamination: removal and demolition.
- The **Indiana State Department of Health** will discuss local health department responsibilities, authorities, requirements, concerns and perspectives.
- Following the training, persons applying for listing as qualified inspectors will have an opportunity to take the examination required by the rule.
- The target audience for this training is:
 - Cleanup contractors who want to be listed by IDEM as qualified to inspect and clean properties contaminated as a result of illegal drug manufacture.
 - Local health department personnel involved in cleanup of illegal drug labs.
- Please contact Steve Mojonni at (317) 233-1655 or by email at smojonni@idem.IN.gov to register or if you have questions.

Sincerely,

Michael Dalton
Office of Legal Counsel
